## *Personality Bag*

The start of a new school year is always very exciting. As a teacher, I enjoy meeting and getting to know my students on an individual basis. I have found, however, that it sometimes takes longer than I would like to find out some of the more fun things about my students. As a result, we're going to be spending some time making and sharing our personality bags. This is one of your first projects of the year and is worth a significant number of points. **Please have fun with this assignment, but definitely take it seriously!!**

All of the following must be included in your personality bag:

- o Personality Bag Creatively Decorated with **Name** and **Illustrations** of things that represent your personality and what you like to do.
- o \*A picture of you when you were a baby or a small child.
- o An example of your favorite color.
- o Evidence of your favorite music.
- o Something that clues us in to your favorite food or snack.
- o A symbol of your favorite hobby or what you like to do outside of school.
- o Something that you are proud of.
- o A symbol of what you want to be when you grow up.
- o Something that helps us figure out what your favorite animal is.
- o Presentation will last two minutes or less (eye contact, loud voice)

You must include separate examples for each of the items listed above; in other words, you cannot bring a blue soccer ball and use that for your favorite hobby and color. If you would like, you may add additional items to your personality bag. You will take the items in your personality bag home with you on the day you share; however, I will keep the actual bag to decorate our walls with so please also bring an empty grocery bag to take your items home in.

**PROJECT DUE: WEDNESDAY, July 31<sup>st</sup> – 50 POINTS**

\*See me (or email me) if there are circumstances that prevent bringing a baby photo to class, we can work something out. Email: [SRostas@musd20.org](mailto:SRostas@musd20.org)
